

Statutory Swimming Competency Information

Year 6 2019-20 Swimming Competency

Unfortunately, we are unable to give a full and precise assessment of our children's swimming competency due lockdown and the cancellation of swimming lessons.

Assessment up to March 2020

- Swim competently, confidently and proficiently over a distance of at least 24 metres: 41% (20/48)
- Use a range of strokes effectively: 43% (21/48)
- Perform safe self-rescue in different water-based situations: 25% (12/48)

These are Yr 3 results to March 2020

The organisation and provision for the teaching of swimming will continue with the younger pupils in the future They will be given the opportunity to swim so that we can increase their experience and competency by the time they reach Yr 6

Assessments will be carried out again once swimming lessons have resumed. It is currently unclear when this will be due to the pandemic.
