

Phonics Screening Check 2023-2024

Week commencing

Monday 10th June -Friday 14th June 2024

What is the Phonics Screening Check?

Children complete a word-reading check at the end of Year 1 so that parents can be confident their children are being taught to read successfully.

Children read 40 words. It takes between two and five minutes.

If they do not manage to read **32** of the words, they are given extra support, and repeat the check at the end of Year 2.

The 'pass' mark of 32 is subject to change by the government and schools will be notified some time in June of this figure.

All children at Parkfield will be supported to learn phonics using our new and government approved Monster Phonics Programme.

Year 1 will take the Phonics Screening check during the summer term
Week commencing Monday 10th June 2023.

We politely request that parents ensure children in Year 1 and those in Year 2 who have to retake the Check are in school during the administration of the phonics Screening Check
