

# Broader Horizons Curriculum - Explained

## **A curriculum to develop new passions and an insight into future careers**

**Wider horizons is delivered every Tuesday to your children to expand their knowledge and experiences for the future. In these sessions we give the children new experiences, talk about job opportunities and increase their general knowledge about life beyond the walls of Parkfield.**

**All the children across the school from Yr2 and Yr3 are being given these new experiences in learning.**

**The homework for this half term will be linked to the group they are working with.**

**Overleaf you will see all the groups.**

**Please talk to your children about this over the half term and enjoy the activities that have been given. If you are unable to complete the task for your child's group for free to choose any activity that you have the means to do.**

**We look forward to seeing what the children create and complete**

Art

Using your surroundings sketch a landscape e.g. outside your bedroom window or a garden

Gardening

Go to your garden or local park and draw your favourite flower, plant or tree.

Sewing

Design your dream school uniform that children would wear at Parkfield. Don't forget the logo

Singing

Learn and practice the song  
"Best day of my life" by  
American Authors

## Broader Horizons Year 2 & Year 3

### Holiday Homework

#### INSTRUCTIONS

**Each child is in one of these groups, the teachers have set a special task for them to do this holiday**

Photography/Videography

Take a photo that shows Autumn, then edit the photo using different filters so the colours pop

Gymnastics

Research a gymnast - watch some of their performances. What did you like? What would you love to learn to do? If you have a safe space, make your own routine!

Cooking

Ask your parents to allow you to make them a pizza, like we did at school. Remember you can use any base e.g. pitta bread
