

Context: Dedication to the Nation

Must: I can tell you about what London was like in the past and now

Should: I can describe how London has changed over time

Could: I can explain how London has changed over time and give reasons for these changes

Streets in London

- In the past roads were narrow and dirty. In the modern days people clean the road with machines and they wear special uniforms they wear.

Buildings in London

- In the past, buildings were smaller and were made out of wood. Now days, houses are made from bricks and concrete.

Transport in London

- In the past, used horses, ^{carriages} carriages or walked. Today, people use cars to get around also buses and trains.

Population popularity in London

- In the past there was not many people. In the modern time, over 9 million people live in London.

Sanitation in London

- In the past, they didn't have sewers. Now they do and we have flushing toilets.

Thank goodness! ✓

Well done! You remembered lots from our class discussion! ;)

Wow! You remembered this word!

😊
