What is bullying?

It is where people's feelings are hurt by other people and it makes them feel insecure. It can happen in or out of the academy and be towards an individual or a group. It can happen over a long period of time and it can happen repeatedly.

- Bullying will not be accepted or condoned.
- All forms of bullying will be addressed.

Bullying can include:

Types of bullying;

- Name calling, sarcasm, spreading rumours, persistent teasing and emotional torment through ridicule, humiliation and the continual ignoring of individuals

Everybody has the responsibility to work together to stop bullying

Why is it important to respond to bullying?

It can affect pupils by being physically and emotionally hurtful and if it carries on it will get worse and be harder to deal with. It is important as it can affect a child's life and learning and we want to promote a happy academy for everyone.
